140 Dameron Avenue, Knoxville, TN 37917

School Located Vaccination Clinics (SLVC) Projected Calendar for Fall 2022

Overall goal: To bring FluMist vaccine to KCS elementary schools (and some KCS preschools) that historically had a high population of students who qualify for the Federal Vaccine for Children program (VFC). The VFC program is a federally funded program that provides no-cost vaccines to children who are uninsured, under-insured, or are enrolled in TennCare. It strives to eliminate or reduce vaccine cost as a barrier to childhood immunizations.

Dates	SLVC Task
8/25/22 – 9/2/22	Visit schools, gather initial contact information, and establish an initial clinic plan for each school
9/6/22 – 10/17/22	Distribute SLVC information to parents approximately 30 days prior to clinic date
9/7/22 – 11/9/22	Review submitted SLVC consent forms; contact parent/guardian as needed to obtain missing or additional information needed
10/3/22 – 11/10/22	Conduct school-located vaccination clinics (No clinics will be held 10/7/22 – 10/14/22 due to KCS Fall Break)
10/17/22 – 11/18/22	Send SLVC second dose letters home to parents whose children need a second dose
