For Immediate Release

April 16, 2010 - Knox County Clerk Foster D. Arnett, Jr. announced today the official opening of a new Driver License Renewal Center at the Cedar Bluff location in West Knoxville.

“We are very excited about this new location because it will add yet another service to our taxpayers. Until this center opened on March 31st, the only other renewal option in the area was the State of Tennessee facility located at 207 Center Park Drive. This new location will eliminate wait time and speed up the renewal process,” Arnett said.

Assisting in the move were State Senators Jamie Woodson and Tim Burchett. Also Ed Mimms from the Tennessee Department of Safety was instrumental with this project.

Since opening, employees at the Cedar Bluff location have issued 168 renewals. “Our taxpayers have been requesting this location for a long time, even signing petitions, and I appreciate Senators Woodson, Burchett and Mr. Mims for all their help.

The Cedar Bluff office is located at 1028 Old Cedar Bluff Road. Other renewal locations are the Old Courthouse, Five Points Plaza, Halls and Knoxville Center Mall.
