

Student Election Worker's Teacher Recommendation

Thank you for your application to work in the elections. The polls are open from 8 a.m. until 8:00 p.m. You will need to report to work no later than 7:30a.m. Expect to be there until at least 8:30 p.m. You cannot leave during the day so bring your lunch or have someone bring it to you. We ask that you turn your cell phone off during the day and use it only for emergencies.

There will be a training class about an hour and a half long on one evening of the week before the election. You will be paid \$20 for the class and \$102 for election day. You will be notified by mail if you are chosen to work. We will inform you about the time of your class and which ward you are to report to.

We ask one more thing. Please have two teachers sign as references. Be sure that their name and yours is printed legibly.

Thank you for your interest in helping us conduct honest elections.

I, _____ recommend _____
(print name) (print workers name)

as qualified to help the Knox County Election Commission run the elections.

_____ I teach at _____
(sign name)

Phone number of teacher _____
