To the Board of Knox County Commissioners and the Citizens of Knox County,  
Tennessee

The Knox County Budget Report to the Citizenry has traditionally been issued on an annual basis as a supplementary report to the Knox County Comprehensive Annual Financial Report (CAFR). The purpose of the report is to demonstrate budgetary compliance at the legal level of control exercised by the County Commission.

This report is an interim report – issued for the four months ended October 31, 2008. The purpose is to give a sense of “how are we doing?” during the year.

One word of caution, this is a “snapshot” in time, and does not include all the accruals required at year-end. Revenues and Expenditures are not necessarily level throughout the year. For instance, Property taxes are due in February – which is by far the largest collection month. Some expenditures, like Workers’ Comp insurance premiums are normally paid fully at the start of the fiscal year. Other expenditures are on different schedules.

We hope this information is helpful, and are ready to respond to your questions, comments and suggestions for improvement.

This report was generated through the dedicated efforts of the individuals in the Department of Finance. They have our sincere appreciation for their continued efforts and professionalism. The Department of Finance certainly has the County’s best interest at heart. We would also extend our appreciation for the Knox County Commission’s continued commitment to financial responsibility.

Sincerely,

John M. Troyer, CPA  
Senior Director of Finance
