

Public Notice

As required by Knox County Air Quality Management Regulation Section 25.1-E, the Knox County Department of Air Quality Management is providing the public the opportunity to submit written comments on the proposed construction and/or modification of air contaminant source(s) as noted below.

Rohm and Haas Chemicals LLC – Knoxville Plant has applied to modify the volatile organic compound storage tanks located at 730 Dale Avenue, Knoxville, TN 37921. The requested modification is to construct storage tank 7664-604 along with removing storage tanks 7664-176, 177, and 178. Questions concerning the source(s) may be addressed to Coby Webster at (865) 215-5900 or by e-mail at coby.webster@knoxcounty.org.

Presbyterian Homes of Tennessee, Inc. has applied to modify the nursing home complex located at 801 Vanosdale Road, Knoxville, Tennessee 37909. The requested modification is to add four (4) natural gas fired boilers and one (1) diesel fired emergency generator. Questions concerning the source(s) may be addressed to Amy Mullikin at (865) 215-5900 or by e-mail at amy.mullikin@knoxcounty.org.

To be considered, written comments must be received no later than March 26, 2020 and be submitted using one of the following methods:

1. **Mail, private carrier, or hand delivery:** Address written comments to Knox County Department of Air Quality Management, 140 Dameron Avenue, Knoxville, TN 37917
2. **E-mail:** Submit electronic comments to aqm@aqm.co.knox.tn.us.

For further information please call (865) 215-5900.
