

Public Notice

As required by Knox County Air Quality Management Regulation Section 25.1-E, the Knox County Department of Air Quality Management is providing the public the opportunity to submit written comments on the proposed construction and/or modification of air contaminant source(s) as noted below.

MIRATECH-Knoxville, LLC has applied to modify the emission control catalyst manufacturing facility located at 1729 Louisville Drive, Knoxville, TN 37921. The requested modification is to construct two (2) natural gas fired calcination ovens. Questions concerning the source(s) may be addressed to John Lane at (865) 215-5900 or by e-mail at john.lane@knoxcounty.org.

To be considered, written comments must be received no later than May 21, 2020 and be submitted using one of the following methods:

1. **Mail, private carrier, or hand delivery:** Address written comments to Knox County Department of Air Quality Management, 140 Dameron Avenue, Knoxville, TN 37917
2. **E-mail:** Submit electronic comments to aqm@aqm.co.knox.tn.us.

For further information please call (865) 215-5900.
