

Public Notice

As required by Knox County Air Quality Management Regulation (KCAQMR) Section 25.1-E, the Knox County Department of Air Quality Management (Department) is providing the public opportunity to review and comment on the following proposed construction and/or modification of air contaminant source(s).

Sprint Knoxville TN Satellite MSC has applied to construct a diesel-fired emergency generator at the telecommunications facility located at 3575 Workman Road, Knoxville, TN 37921.

To be considered, written comments must be submitted to the Department at the following address by February 8, 2018.

Knox County Department of Air Quality Management
140 Dameron Avenue
Knoxville, TN 37917

The construction permit application(s) is available for review at the Department offices during regular business hours. For further information please call (865) 215-5900.
