

Public Notice

As required by Knox County Air Quality Management Regulation Section 25.1-E, the Knox County Department of Air Quality Management is providing the public the opportunity to submit written comments on the proposed construction and/or modification of air contaminant source(s) as noted below.

Johnson University has applied to construction four (4) natural gas boilers and an emergency generator powered by a natural gas fired engine at the University Complex facility located at 7900 Johnson Drive, Knoxville, TN 37998. Questions concerning the source(s) may be addressed to Amy Mullikin at (865) 215-5900 or by e-mail at amullikin@aqm.co.knox.tn.us.

To be considered, written comments must be received no later than February 28, 2019 and be submitted using one of the following methods:

1. **Mail, private carrier, or hand delivery:** Address written comments to Knox County Department of Air Quality Management, 140 Dameron Avenue, Knoxville, TN 37917
2. **E-mail:** Submit electronic comments to aqm@aqm.co.knox.tn.us.

For further information please call (865) 215-5900.
