

Public Notice

As required by Knox County Air Quality Management Regulation Section 25.1-E, the Knox County Department of Air Quality Management is providing the public the opportunity to submit written comments on the proposed construction and/or modification of air contaminant source(s) as noted below.

King Cleaners has applied to modify the dry cleaning facility located at 5929 Kingston Pike, Knoxville, TN 37919. The existing facility consists of a perchloroethylene dry cleaning machine. The requested modification is to add a petroleum dry cleaning machine. A condenser will be used for pollution control. Questions concerning the source(s) may be addressed to Amy Mullikin at (865) 215-5900 or by e-mail at amullikin@aqm.co.knox.tn.us.

To be considered, written comments must be received no later than April 4, 2019 and be submitted using one of the following methods:

1. **Mail, private carrier, or hand delivery:** Address written comments to Knox County Department of Air Quality Management, 140 Dameron Avenue, Knoxville, TN 37917
2. **E-mail:** Submit electronic comments to aqm@aqm.co.knox.tn.us.

For further information please call (865) 215-5900.
