**Knox County Government Employee Health Insurance**

Benefits eligible employees will be enrolled in Option 1 Employee Only medical coverage for 2019 if they do not choose or decline coverage during open enrollment. This will be their primary coverage for 2019, regardless of coverage elsewhere.

**Medical Plan Change**

In 2019, BlueCross BlueShield of Tennessee will administer our medical plan. Humana, BlueCross, and OptumRx do not use their money to pay our health care costs. They help Knox County with administrative work, such as billing and maintaining strong networks of medical providers and pharmacies. The premiums you pay and that Knox County pays on your behalf as a benefit of your employment are what fund our health insurance costs. As a “self-funded” plan, the medical coverage in 2019 will be similar to the coverage in 2018.
