Enrollment Highlights

Action Required: Select or Decline Benefits

- If you do not select or decline coverage during your enrollment period (for example, the first 30 days for new hires and open enrollment for continuing employees), your coverage offerings will be considered declined. You will not be automatically enrolled in coverage.

Save Your Employee Self Service Password

- Follow the steps on Pages 4 and 5 to log into the Employee Self Service website to enroll in or decline your benefits. When you first log into your account, you may be prompted to change your password. Save this new password in a secure place so you can log back into your account throughout the year.

Update Contact Information

- Follow the steps on Pages 4 and 5 to update your contact information. Your insurance cards will be mailed to the address listed in the Employee Self Service. Providing a correct address, email address and phone number are important for receiving information about your benefits.

Only Enroll Your Eligible Legal Dependents

- Employees can only add eligible legal dependents to insurance coverage. Enrolling a person who is not your eligible legal dependent can have major consequences, see Page 5.

Important legal notices related to your coverage start on Page 15. They include: HIPPA Special Enrollment Rights, HIPAA Privacy Notice, Wellness Program Disclosure, Pretax Contributions, Women’s Health and Cancer Rights Act, Newborns’ and Mothers’ Health Protection Act, and Medicare Prescription Creditable Coverage / Part D Notice. The summary of benefits and coverage (SBC’s) can be found in the current year’s benefits by visiting our website at www.knoxcounty.org/benefits or a paper copy will be provided free of charge upon request (865-215-3800 or benefits@knoxcounty.org).

Disclaimer & Additional Notices This guide is designed to provide a general overview of benefits provided through Knox County Government. It is not a contract or an official interpretation of the benefit plans. For more detailed information, please refer to the plan documents. Copies of the plan documents and important notices are available at www.knoxcounty.org/benefits or by contacting the Benefits Department (free paper copies available upon request). Should any questions or conflicts arise, the plan documents will be the final authority in determining your benefits. Knox County Government reserves the right to modify or discontinue the plans at any time. This document was prepared exclusively for employees eligible for benefits provided through Knox County Government and their dependents.
Employee Self Service

Make Updates & View Important Employment Information

- The Employee Self Service is a website where you can perform important tasks. For example, you can make updates to your personal information (phone number, address, email address and emergency contacts), view recent payroll deposits, make changes to your benefits, and view your leave balances.
- There are several ways to visit the Employee Self Service. One way to get to it is by visiting www.knoxcounty.org/benefits and clicking the Employee Self Service link.
- Save your password in a secure location so you can access the website throughout the year.

Important Dates & Deadlines

2020 Open Enrollment | Oct. 21 - Nov. 15, 2019
- The help session schedule can be found at www.knoxcounty.org/benefits. It will also be sent via email.

New Hires

- New employees who are benefits eligible must enroll within 30 days of their date of hire. New employee benefits are effective the first of the month following 30 days of employment, or if the new employee started work on the first regular business day of the month, benefits are effective the first of the following month. Basic life insurance and AD&D coverage start automatically on the date of hire.
- Attend new hire orientation to learn about your benefits options and how to enroll in coverage.

Qualifying Life Events - Life and Coverage Changes

- Notify the Benefits Department of a qualifying life event if you want to make changes to your benefits. Report a qualifying life event by visiting the Employee Self Service. In the side menu, you may need to click “Employee Self Service,” then click “Benefits” in that same side menu. On this new page, click “Report/View Life Events” in the right corner. On the next page, select the type of life event, enter the date of the event and upload proof of the event. After reporting the event, wait for an email from the Benefits Department indicating it has been approved and the next steps you will need to take to make benefit changes.
- Know your deadline. You have 30 or 60 days (see below) from the date of the qualifying life event to submit changes in the Employee Self Service and the required supporting documentation to the Benefits Department. If you do not complete the notification and submission process by the deadline, you must wait for the 2021 open enrollment period to make changes to your benefits.
  - 30 day enrollment window: Most qualifying life events, such as marriage/divorce, birth/adoption/placement for adoption, death, and change in coverage offering for you or your dependents
  - 60 day enrollment window: Change in Medicaid or Children’s Health Insurance Program (CHIP) eligibility
- Children up to age 26 may be covered on your health insurance plan. At the end of the month in which the dependent turns 26, they will automatically be dropped from the insurance plan and offered COBRA coverage.
- Coverage and payment. In most cases, your coverage changes will be effective the date of the qualifying event but payment for your election changes will be collected retroactively on a post-tax basis until the payroll period following the processing of your new elections. Birth, adoption or placement for adoption election changes will be collected retroactively on a pre-tax basis.
Selecting Benefits

Enrollment Checklist

Please follow the steps listed on this and the following page to enroll in or decline your benefits.

- **When:** You can select, change or decline benefits during 1) annual open enrollment, 2) the first 30 days of your employment, or 3) in relation to a qualifying event during the plan year (see Page 3).

Select or Decline Benefits

If you do not select or decline coverage during your enrollment window, your coverage offerings will be considered declined. You will not be automatically enrolled in coverage.

- **Decide:** Review this guide and the plan documents found at www.knoxcounty.org/benefits to determine which benefits you want to select or decline.
  - **Full-time employees** are eligible for all benefits listed in this guide. Full-time employees are required to re-enroll in their benefits each year during open enrollment (except YMCA memberships).
  - **Part-time employees** who regularly work 18.5 hours or more per week are eligible for life insurance benefits and gym discounts. Part-time employees are required to re-enroll in their benefits each year during open enrollment (except YMCA memberships).
  - **All employees**, including those working fewer than 18.5 hours per week, are encouraged to use the employee assistance program (EAP). Dependents and members of the employee’s household can also use the EAP. It is a free resource and there is no enrollment for this benefit. See Page 20 for more information.

- **Log On:** Visit www.knoxcounty.org/benefits and click “Employee Self Service.”
  - **Username:** Your username is your legalfirstname.lastname (john.smith) or legalfirstnamefirstinitial.lastname (johnj.smith).
  - **Password:** Initial open enrollment password information will be emailed to you. New hires will be given their initial password information during orientation. Save your password in a secure location so you can access the website throughout the year.

- **Verify Personal Information:** In the side menu, click “Personal Information” (if you do not see this option, you may need to first click “Employee Self Service”) and check/edit your email addresses. From this page, click “Contact” in the upper menu. On this page, check/edit your home address, emergency contacts and phone numbers.

Update your contact information. Don’t miss important info.

Your insurance cards will be mailed to the address listed in the Employee Self Service. Providing a correct address, email address and phone number are important for receiving information about your benefits.

Emails from benefits@knoxcounty.org and wellness@knoxcounty.org contain important information about benefits. It is your responsibility to check your professional email account, if one has been issued to you, and to keep your primary email address up-to-date in the Employee Self Service.
Select or Decline Benefits: Click “Benefits.” During open enrollment, you may also need to click “Open Enrollment.” For each benefit option, click “Make New Election” or “Decline Benefit.” If making an election, follow the prompts at the top of the page for that benefit election.

Only Add Eligible Legal Dependents
Employees can only cover their eligible legal dependents. Employees are required to notify the Benefits Department of life events that cause loss of eligibility to stay on the plan (for example, divorce). Visit www.knoxcounty.org/benefits or contact the Benefits Department for information on dependent eligibility.

- Dependents: Employees can only add eligible legal dependents to insurance coverage. If you add eligible legal dependents to your insurance coverage, make sure you enter their Social Security Number and date of birth correctly. These two pieces of information are very important for processing their insurance claims. A Social Security Number is not required for newborns.
  - Eligible Legal Dependents include:
    - The employee’s current legal spouse; or
    - The employee’s or the employee’s spouse’s: (1) natural child; (2) legally adopted child (including children placed for the purpose of adoption); (3) step-child(ren); or (4) children for whom the employee or employee’s spouse is the legal guardian; who are less than 26 years old; or
    - A child of the employee or employee’s spouse for whom a qualified medical child support order has been issued; or
    - An incapacitated child of the employee or employee’s spouse (documentation required).
  - Enrolling a person who is not your eligible legal dependent can have major consequences, including, but not limited to, the individual and/or you losing coverage back to the date when the person was enrolled. This also means the individual and/or you will become responsible for paying for all care charged to the insurance during that time.
  - Open Enrollment Dependent Verification: If you add new dependents to your coverage, you will receive information in 2020 from the Benefits Department regarding how to submit documentation required to verify the dependent’s eligibility to be a covered by the plan (for example: marriage license, birth certificate or tax return). Additional information about dependent verification can be found at www.knoxcounty.org/benefits.
  - New Hire and Qualifying Event Dependent Verification: If you add new dependents to your coverage, you must submit your dependent verification (for example: marriage license, birth certificate or tax return) information during your enrollment period. You will receive an email from the Benefits Department requesting documentation required to verify the dependent’s eligibility to be a covered by the plan. Additional information about dependent verification can be found at www.knoxcounty.org/benefits.

- Life Insurance Beneficiaries: You can name one or more primary and one or more contingent beneficiary. Please enter their Social Security Number and date of birth. Life insurance beneficiaries can be changed at any time during the year (without a qualifying event) by contacting the Benefits Department.

Confirm Selections. Print Confirmation. After you have made a choice for or declined each benefit, click “Continue.” Review your new elections. If this information is correct, click “Submit Choices.” If this information is not correct, click “Modify,” make changes, review your changes and click “Submit Choices.” Always save a copy of the final confirmation page for your records.

Making Changes to Elections: You can log in and make changes to your elections at any time during open enrollment. No changes can be made during the plan year unless you experience a qualifying life event and submit the required documentation during the special enrollment period (see Page 3).
Understanding Insurance Terms

**Copay/Copayment:** The amount paid directly to the medical provider, usually during the visit, for specific services. Copays do not count toward the deductible.

**Coinsurance:** The percent an individual will pay for covered services (typically after the deductible has been met) until they reach the out-of-pocket maximum.

**Deductible:** The amount an individual or family will need to pay before insurance begins to pay for covered services.

**In-network:** In-network providers agree to accept a negotiated amount of payment. Members who use out-of-network providers are usually subject to a higher deductible, a larger percentage of the charges, provider charges over the customary rate, a greater out-of-pocket maximum and may have additional paperwork to file a claim. “Accepting” insurance is not the same as being “in-network.”

**Member:** Someone covered by the insurance plan (includes the subscriber and dependents).

**Out-of-Pocket Maximum (OOPM):** The maximum amount an individual or family will pay (in addition to premiums) for covered services during a plan year. This amount includes all money paid for eligible expenses toward the deductible, coinsurance and copays.

**Premiums or Rates:** The cost per pay period for insurance coverage.

**Subscriber:** This is typically the employee who enrolled in the plan. The subscriber may carry other members (dependents) on the plan.

### Self-Funded

Knox County Government has self-funded health insurance. This means the premiums you pay (and contributions made by Knox County Government on your behalf as a benefit of your employment) are pooled to pay for our group’s medical and prescription claims. BlueCross and OptumRx do not fund our plan.

Ask your doctor and pharmacist whether there are lower-cost options that are safe and effective for your needs. It can personally save you money, and as a group, we can slow the rising costs of care.

**Non-preferred Rates:**

Each pay period, returning members who were on the plan from Jan. 1 - Nov. 22, 2019, will pay an additional $35 per employee and $35 per spouse who did not complete the requirements for preferred rates (biometrics form) by Nov. 22, 2019. If you see non-preferred rates during fall 2019 open enrollment, you have until Nov. 22, 2019, to complete the biometrics form during an appointment with a medical provider. It may take several weeks to confirm receipt of your form and for you to see your rates changed to preferred rates. Do not delay making your enrollment selections while waiting for your form to be marked received.

Information & Care in Your Hands

PhysicianNow Telemedicine Benefit
& Other Alternatives to Emergency Room Care

The emergency room (ER) is one of the most expensive places to access health care. There are many alternatives to visiting an ER when you need non-emergency care for a non-life-threatening condition. The following options are convenient ways to get same day care for a fraction of the cost of an ER visit:

**PhysicianNow Telemedicine Benefit**
Access a doctor 24/7 through a telephone, smartphone, tablet or computer. Allergies, cold, flu, fever, sinus infections, skin conditions, respiratory issues, urinary tract infections, and pinkeye are all common conditions treated through telemedicine. If the doctor decides you need a prescription, they can call one in to the pharmacy of your choice. Dependents 18 years old and older will need to set up their own account.

**Sign up through the BlueCross website**
- Visit www.bcbst.com/knoxcounty and log into your BlueAccess account (or register if new)
- Scroll down and click on the Talk With a Doctor Now button.
- Follow the prompts and use the information on your BlueCross insurance card to register

**Sign up by phone**
- Call 1-888-283-6691
- Follow the prompts and use the information on your BlueCross insurance card to register

**Download the PhysicianNow mobile app**
- Search for PhysicianNow (one word) in your app store and download the app
- Create a password and keep it where you can access it when you need it
- Follow the prompts and use the information on your BlueCross insurance card to register

**Schedule a Same Day Primary Care Appointment**
Many primary care providers save room in their schedules for a few walk-in appointments throughout the day. Call to see if your provider has availability.

**Visit an Urgent Care or Retail Care Clinic**
If you cannot see your primary care provider, most urgent care and retail care clinics offer walk-in appointments and extended hours. True urgent care clinics can treat minor injuries in addition to illnesses.

BlueCross BlueShield of Tennessee - Medical Benefit
App & Website Resources

**App: MyBlueTN**
**Website: www.bcbst.com/knoxcounty**
In addition to being a great place to find in-network providers, the BlueCross BlueShield of Tennessee app and website offer many additional convenient resources, including:
- A mobile version of your member ID card (app) or printable card (website)
- Instant access to your claims, benefits, coverage details and balances
- An urgent care locator to help you find convenient care

OptumRx - Pharmacy Benefit
App & Website Resources

**App: OptumRx** (mobile ID card and information for home delivery participants)
**Website: www.OptumRx.com** (full-service website for both retail pharmacy and home delivery participants)
The OptumRx app and website offer the following convenient resources:
- A mobile version of your member ID card (app) or printable card (website)
- Instant access to your prescriptions, prior authorization request information and a drug pricing tool

Insurance Cards: Use your BlueCross insurance card for medical benefits. The card will not list your covered dependents by name.

In-network Providers: The medical plan allows you to go to any provider. If you choose an out-of-network provider, you will be subject to a higher deductible, a larger percentage of the charges, provider charges over the customary rate and a greater out-of-pocket maximum. To find an in-network provider visit www.bcbs.com/knoxcounty or call customer service.

Money Saving Tip: Services with fewer dollar signs ($) will usually cost less for similar types of care.

*Review plan documents at www.knoxcounty.org/benefits for more information. Prior authorization requirements, limits on the number of visits per year and service restrictions may apply. Audiology, cardiac, cognitive, manipulative, occupational, physical, and speech therapy have a 60 day combined annual maximum.

Visit www.bcbs.com/knoxcounty to find "Network S" and “BlueCard PPO - outside of Tennessee” in-network providers and facilities. Out-of-network services are subject to balance billing (charging the member the cost beyond what the plan finds reasonable and customary). Balance billing is a common practice for ambulance services.

**Deductible, coinsurance, pharmacy expenses and copays count toward the out-of-pocket maximum.

***Visit www.knoxcounty.org/benefits for information about finding facilities that charge the urgent care copay or independent facility advanced imaging / diagnostics copay. Not all facilities charge these lower rates. Using facilities that charge these copays can help you save money. See Page 7 for more information about telemedicine services and alternatives to emergency room care. On Option 1, telemedicine visits are $40 or your remaining deductible/coinsurance, whichever is less.

* No Deductible **After Deductible
Medical Flexible Spending Accounts

You may elect to set aside $250 to $2,700* from your paycheck pre-tax to help pay qualified health expenses not covered by insurance for yourself, your spouse and dependent children. Qualified health expenses include copays, deductibles, prescription drug copays, hearing aids, vision and dental expenses. Over the counter medications are not considered eligible expenses without a Medical Necessity Form completed by a physician.

The full medical FSA annual election will be available in January (existing employees) or the first of the month when your elections go into effect (new hires). Each year, funds are added to the existing debit cards. TASC will mail debit cards to new enrollees. Keep your receipts! You may be asked to verify your claim.

A minimum of $25 and maximum of $500 of unused medical flexible spending funds may be rolled over to the following plan year. For expenses from 2019, you can submit receipts until March 31, 2020. For expenses from 2020, you can submit receipts until March 31, 2021. Visit the TASC website or www.knoxcounty.org/benefits for more information about medical FSA.

Dependent Care Flexible Spending Accounts

You can set aside pre-tax money for approved child care services provided at a daycare facility, in your home or in someone else’s residence. Certain requirements must be satisfied for reimbursement. The maximum annual contribution is $5,000* for single or married filing jointly ($2,500* if you are married and file separately).

Dependent care FSA elections are dispersed into your account as they are deducted from your paycheck. Each year, funds are added to the existing debit cards. TASC will mail debit cards to new enrollees. Keep your receipts! You may be asked to verify your claim.

For expenses from 2019, you can submit receipts until March 31, 2020. Remaining unused 2019 funds will be lost. If the cost of your dependent care changes, you can make changes to this deduction during the year, without a qualifying event, to avoid having unused funds at the end of the year. For expenses from 2020, you can submit receipts until March 31, 2021. Remaining unused 2020 funds will be lost. Visit the TASC or website www.knoxcounty.org/benefits for more information about dependent care FSA.

*These are the 2019 limits set by the federal government. If these limits are changed by the federal government for 2020, the Benefits Department will modify the enrollment options in Munis Employee Self Service to reflect the new limits.

### Vision & Hearing Discounts

**Vision and hearing discounts are not insurance.**

The Blue365 discount program through BlueCross provides discounts on vision and hearing products and services. Discounts typically cannot be used in combination with EyeMed vision insurance to pay for the same product or service.

You need to be covered by the health insurance to have access to the Blue365 discount program, but you do not need to be covered by EyeMed vision insurance. Visit the BlueCross website for more information. The availability of this discount is subject to change or termination without notice.

Each type of dependent coverage cannot exceed 100% of the employee’s coverage amount (basic and supplemental total). It is your responsibility to notify the Benefits Department if your dependent loses eligibility (i.e. divorce or aging out).

**Group Basic Life and Accidental Death & Dismemberment (AD&D)**
Knox County’s Basic Life and AD&D Insurance is provided (at no cost to the employee) to all full-time and part-time employees that work at least 18.5 hours per week. The Basic benefit is one and one-half times your annual salary, up to a maximum of $50,000. You are eligible for an additional benefit according to a schedule of losses such as loss of life, limb or sight due to an accident through the AD&D coverage. This benefit pays up to two times your annual salary, with a maximum of $100,000.

**Supplemental Term Life Insurance**
Generally, changes greater than one coverage step require submission of an Evidence of Insurability (EOI) medical form and approval by the carrier. If you decide to make changes greater than one step, work with the Benefits Department to complete your EOI form before you submit it to the carrier. New hires and spouses added during a marriage qualifying event (QE) can enter at any coverage step without an EOI form. Employees and spouses with a QE who previously declined coverage can elect the first step without an EOI form. Employees and spouses with current coverage can increase up to the maximum step during a QE without an EOI form.

HIPAA SPECIAL ENROLLMENT RIGHTS

Loss of Other Coverage — If you are declining or have declined enrollment for yourself and/or your dependents (including your spouse) because of other health insurance coverage or group health plan coverage, you may in the future be able to enroll yourself and/or your dependents in this plan if you or your dependents lose eligibility for that other coverage or if the employer stops contributing towards you or your dependent’s coverage. To be eligible for this special enrollment opportunity, you must request enrollment within 30 days after your other coverage ends or after the employer stops contributing towards the other non-COBRA coverage.

New Dependent as a Result of Marriage, Birth, Adoption or Placement for Adoption — If you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and/or your dependents.

To be eligible for this special enrollment opportunity, you must request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption.

Medicaid Coverage — The Knox County Government Plan will allow an employee or dependent who is eligible, but not enrolled for coverage, to enroll for coverage if either of the following events occur:

1. TERMINATION OF MEDICAID OR CHIP COVERAGE — If the employee or dependent is covered under a Medicaid plan or under a State child health plan and coverage of the employee or dependent under such a plan is terminated as a result of loss of eligibility.

2. ELIGIBILITY FOR PREMIUM ASSISTANCE UNDER MEDICAID OR CHIP — If the employee or dependent becomes eligible for premium assistance under Medicaid or CHIP, including under any waiver or demonstration project conducted under or in relation to such a plan. This is usually a program where the state assists employed individuals with premium payment assistance for their employer’s group health plan rather than provide direct enrollment in a state Medicaid program.

To be eligible for this special enrollment opportunity you must request coverage under the group health plan within 60 days after the date the employee or dependent becomes eligible for premium assistance under Medicaid or CHIP or the date you or your dependent’s Medicaid or state-sponsored CHIP coverage ends.

HIPAA PRIVACY NOTICE

HIPAA requires Knox County to notify you that a privacy notice is available by obtaining a copy from the Benefits Department. Please contact the Benefits Department if you have any questions.

WELLNESS PROGRAM DISCLOSURE

Knox County is committed to helping you achieve your best health. Rewards for participating in a wellness program are available to all employees. If you think you might be unable to meet a standard for a reward under this wellness program, you might qualify for an opportunity to earn the same reward by different means. Contact us at 865-215-3800 and we will work with you (and, if you wish, with your doctor) to find a wellness program with the same reward that is right for you in light of your health status.
PRETAX CONTRIBUTIONS In most cases, employee contributions for health coverage are deducted from their paychecks on a pretax basis meaning before federal income taxes, state income taxes (in most cases), and FICA taxes are calculated. Internal Revenue Code (I.R.C.) Section 152 defines what dependent contributions are eligible for pretax deductions. The IRS does not allow employees' contributions for dependent health coverage to be deducted on a pretax basis unless the dependent(s) meet the definition of a tax dependent under I.R.C. Section 152. If they do not meet the definition of a tax dependent, they may be either ineligible for the Plan, or in some cases, the IRS taxes the additional fair market value of these benefits and treats it as Imputed Income. Contributions for medical, dental and vision coverage for eligible dependents that do not meet the definition of a tax dependent will be made on a post-tax basis and the Imputed Income will be included on your paycheck and IRS Form W-2. With the signing of the Affordable Care Act and new regulations by the Treasury Department, the value of any employer-provided health coverage for an employee’s child is excluded from the employee’s income through the end of the taxable year in which the child turns 26.

Under IRS Notice 2010-38, a child is defined as son/daughter, step son/daughter, adopted child or eligible foster child, without regard to whether the child is financially supported by the employee or resides with the employee or is a full-time student.

WOMEN’S HEALTH AND CANCER RIGHTS ACT If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women’s Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for:

- All stages of reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- Prostheses; and
- Treatment of physical complications of the mastectomy, including lymphedema.

These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under this plan. Therefore, the following deductibles and coinsurance apply:

If you would like more information on WHCRA benefits, call the Benefits Department at 865-215-3800. However, the plan may apply deductibles, coinsurance, and copays consistent with other coverage provided by the Plan.

NEWBORNS’ AND MOTHERS’ HEALTH PROTECTION ACT Group health plans and health insurance issuers generally may not, under Federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother’s or newborn’s attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the plan or the insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).
Important Notice from Knox County
About Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with Knox County and about your options under Medicare’s prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare’s prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.

2. Knox County has determined that the prescription drug coverage offered by the Knox County Health Plan is, on average for all plan participants, expected to payout as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (penalty) if you later decide to join a Medicare drug plan.

When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?

If you decide to join a Medicare drug plan, your current Knox County coverage will not be affected. Your current coverage pays for other health expenses in addition to prescription drugs. If you enroll in a Medicare prescription drug plan, you and your eligible dependents will still be eligible to receive all of your current health and prescription drug benefits.

If you do decide to join a Medicare drug plan and drop your current Knox County coverage, be aware that you and your dependents may not be able to get this coverage back.

When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with Knox County and don’t join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage.

For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.
For More Information about This Notice or Your Current Prescription Drug Coverage...

For further information, contact the Knox County Benefits Department at (865) 215-3800. NOTE: You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through Knox County changes. You may also request a copy of this notice at any time.

For More Information about Your Options under Medicare Prescription Drug Coverage...

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

For more information about Medicare prescription drug coverage:

- Visit www.medicare.gov
- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the “Medicare & You” handbook for their telephone number) for personalized help
- Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at www.socialsecurity.gov, or call them at 1-800-772-1213 (TTY 1-800-325-0778).

Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).

Child Care at Gyms
Many gyms offer child care options for gym members. If you utilize child care options through our partner gyms or any other gym, those child care expenses may be eligible dependent care flexible spending expenses. See Page 11 for more information about the dependent care flexible spending benefit.

Fitness Your Way - Part of the Blue365 discounts from BlueCross
(Membership fees are not paid through payroll deduction.)
Employees and their covered dependents (age 18 and older) can pay a one-time enrollment fee of $29 and a $29 per member per month membership fee for unlimited access to a national network of more than 10,000 fitness locations. No long-term contract is required beyond an initial three-month commitment. Visit www.bcbst.com/knoxcounty for more information about the Blue365 discount program.

Most Prevention is 100% Covered
Preventive services with an in-network provider are covered in full by our health insurance plans. Tobacco cessation drugs, select labs, select immunizations, mammograms (2D and 3D), pap smears, colonoscopies and prostate specific antigen testing are covered in-network.

Adults with hyperlipidemia, hypertension, Type 2 diabetes, obesity, coronary artery disease and/or congestive heart failure can have up to 12 free dietary counseling visits per benefit year.

Free Resource for All Employees (including <18.5 hours per week), Their Dependents & Household Members

No biometrics form requirement for 2021 rates.

There will be no biometrics form requirement for 2021. All employees will receive preferred 2021 health insurance premiums. We encourage you to still schedule your regular preventive health appointments with your medical care provider. Page 19 of this guide includes information about free preventive services covered by the health insurance plan.

This year, let’s focus a little more on Mental Well-being.

Getting the most out of life is easier when you have support. Our EAP offers counseling, self-improvement tools and solutions for everyday issues to help you be your best, at home and at work. These services are free, confidential and available all day, every day to you, your dependents and the members of your household.

You can call the resources line anytime, day or night. A master’s- or PhD-level counselor will collect some general information about you and will talk with you about your needs.

The EAP offers free short-term, solutions focused counseling. You may be approved for up to 10 free sessions. If short-term, solutions focused counseling is not appropriate for your needs, the EAP will help you find a specialist who is in-network with your insurance coverage.

When might my family or I consider using the EAP?

There are many reasons to use EAP services. You may wish to contact the EAP if you:

• Are feeling overwhelmed by the demands of balancing work and family
• Are experiencing stress, anxiety or depression
• Are dealing with grief and loss
• Need assistance with child or elder care concerns
• Have legal or financial questions
• Have concerns about substance abuse for yourself or a dependent
