This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-800-565-9140 (TTY: 1-800-848-0299) or visit us at [www.bcbst.com](http://www.bcbst.com). Important Questions	Answers	Why This Matters:
<b>What is the overall deductible?</b>	In-network: \$1,500 person/\$3,000 family Out-of-network: \$4,500 person/\$9,000 family	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
<b>Are there services covered before you meet your deductible?</b>	Yes. Preventive services, Office visits, and Emergency room visits are covered before you meet your <u>deductible</u> (unless specified).	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .
<b>Are there other deductibles for specific services?</b>	No.	You don't have to meet <u>deductibles</u> for specific services.
<b>What is the out-of-pocket limit for this plan?</b>	In-network: \$4,000 person/\$8,000 family Out-of-network: \$12,000 person/\$24,000 family	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
<b>What is not included in the out-of-pocket limit?</b>	<u>Premium</u> , <u>balance-billing</u> charges, penalties, and health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
<b>Will you pay less if you use a network provider?</b>	Yes. This <u>plan</u> uses Network P. See <a href="http://www.bcbst.com/Network-P">http://www.bcbst.com/Network-P</a> or call 1-800-565-9140 for a list of <u>in-network providers</u> .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's charge</u> and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
<b>Do you need a referral to see a specialist?</b>	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.
