## 2018 Code Adoption in Progress

The Knox County Code Administration department is in the process of adopting the 2018 ICC codes. If you have questions or comments, please send those to [codestalk@knoxcounty.org](mailto:codestalk@knoxcounty.org).

## New "Standby" Scheduling List Implemented

As construction has increased across the county, the need to maximize field inspections has become exceedingly important. As a result, we have instituted a new standby list. If there are no immediate inspection slots available, you can get an inspection AND add yourself to our standby list. Should our inspectors have time between regularly scheduled inspections, they will call in from the field and take items from the standby list. We have designed this list to help alleviate the influx of inspections we are encountering and to aid contractors in getting their projects completed as quickly as possible.

## Calendar and Events

**Friday, May 25, 2018** there will be no scheduled building inspections as all field inspectors will be attending required continuing education.

**Monday, May 28, 2018** our office will be closed for Memorial Day.

**ETBOA** meets the second Wednesday of each month. More info at [www.etboa.com](http://www.etboa.com). The meeting includes informative training.

**Wednesday, June 13** ETBOA will hold its annual scholarship luncheon at Calhoun's on the river. Free for members; registration required. [www.etboa.com](http://www.etboa.com)
