Mayor Jacobs Issues Statement on Pfizer Doses

KNOXVILLE, Tenn.—Knox County Mayor Glenn Jacobs issues the following statement on the Pfizer doses.

"I am proud of Dr. Martha Buchanan and I am confident in the good work the Knox County Health Department does every day. I certainly wish this had not happened, but I also think it's unrealistic to believe that when you're undertaking an operation of this magnitude mistakes won't be made. KCHD is taking a close look at their processes and will do everything they can to make sure it doesn't happen again."
