## **Mayor Jacobs Continues Eat & Greet Community Events this Month**

**BACKGROUND:** Knox County Mayor Glenn Jacobs continues his Eat & Greet community events, although this time it's a dinner – and not a lunch – at Penne For Your Thoughts from 6 p.m. to 7:30 p.m.

Mayor Jacobs has consistently hosted Eat & Greet community lunches at locally owned dining rooms in each of the county's nine districts since taking office in September 2018. The events are designed so that members of the community can join the Mayor and members of his staff for face-to-face conversations.
