Mayor Jacobs to Make Special Presentation to Knoxville Dream Center

BACKGROUND: Knox County Mayor Glenn Jacobs and other project leaders will come together to honor the Knoxville Dream Center for its significant impact on our community throughout the year. The program will feature the presentation of a Knox County banner, which will be displayed in their warehouse.

The Knoxville Dream Center is dedicated to enhancing its impact through various initiatives, including the Lost Sheep Ministry, which provides food for the homeless; Dream Eats, an after-school hot meal program; a Fresh Start clothing store; a Mobile Food Truck serving ten different locations; a Book Mobile for mobile reading experiences; the Nehemiah Project, which assists widows with minor home repairs; and the Make A Teacher Smile program, which supports staff and students at Title I schools, along with disaster relief efforts and more.

Strategic partnerships are vital to their mission, fostering a county-wide effort to uplift the community. The Knoxville Dream Center is well-equipped to meet the growing needs of Knoxville's most vulnerable residents.
