MEDIA ADVISORY: KCHD Hosts Tobacco Treatment Conference

ABOUT: The Knox County Health Department will host a Tobacco Treatment Conference to educate professionals on the overall benefits of quitting smoking, as well as how to incorporate innovative practices into their work. The conference will feature speakers from the Mayo Clinic, Tennessee Department of Health, University of Tennessee Graduate School of Medicine, and the Knox County Health Department, among others.

WHO: The conference is designed for healthcare professionals, social workers, and behavioral health specialists. *Media is welcome to attend.*

WHEN: Friday, March 22 from 8:00 a.m. – 4:00 p.m.
Lighthouse Event Center
6800 Baum Dr.
