Such a request shall include as a minimum, (1) the cause for the adjustment; (2) the amount of the change requested with documentation to support the requested adjustment. Price increases will only be considered at the renewal period(s). If the price increase is rejected the vendor may:
- a. Continue with the existing prices;
  - b. Request a lower price increase;
  - c. Not accept the renewal offer.

Any price increase shall not exceed the Consumer Price Index (CPI) for all Urban Consumers; the most recent month in effect at time of renewal(s) will be used to determine CPI cap. However, Contractor(s) must submit proof of price increase. If a price increase is approved by Knox County Procurement and the requesting department the approval notification will be done in writing and the Contractor(s) will be notified of the new price schedule and the effective date of the increase.
