Questions and Answers.

Q1. The samples that need to be turned in with the bid need to be printed or just the 3M vinyl?

A1. Knox County is requesting similar samples of decals you have printed and cut in the past. They are not required to be exact samples of Sheriff's Office decals.

Q2. If they need to be printed can Knox County provide a PDF file to print these small samples?

A2. See Question 1. Artwork will be provided to the winning bidder, but these are just to be random, similar samples of your work.

Q3. Does Knox County need the specs on the 3M materials used?

Q4. It would be helpful to note if the 3M materials used for the samples differs from the material that will be used for the actual Sheriff's Office decals.

END OF ADDENDUM.
